Noah and the Ark

GOD WANTS
TO BE MY
FRIEND!

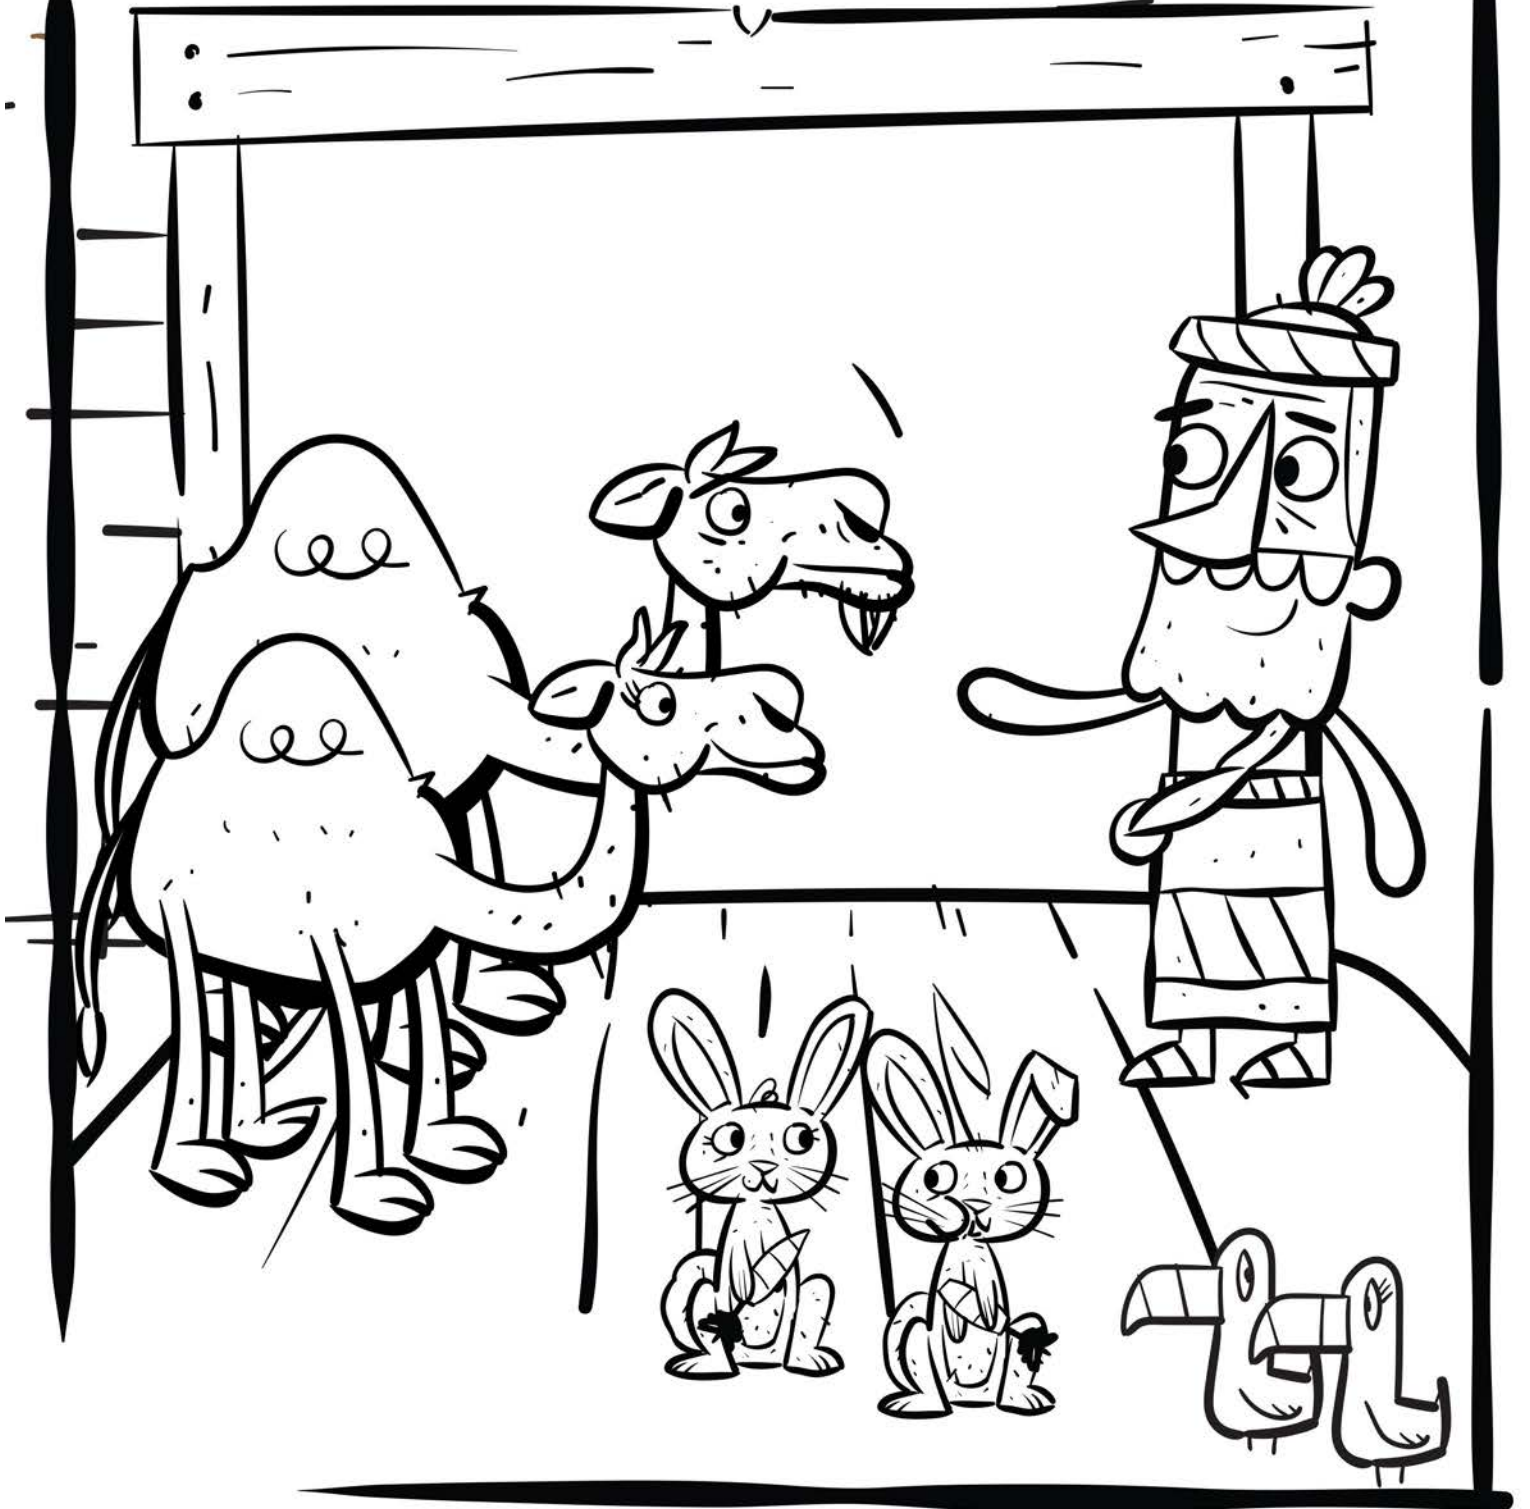

This is Noah!

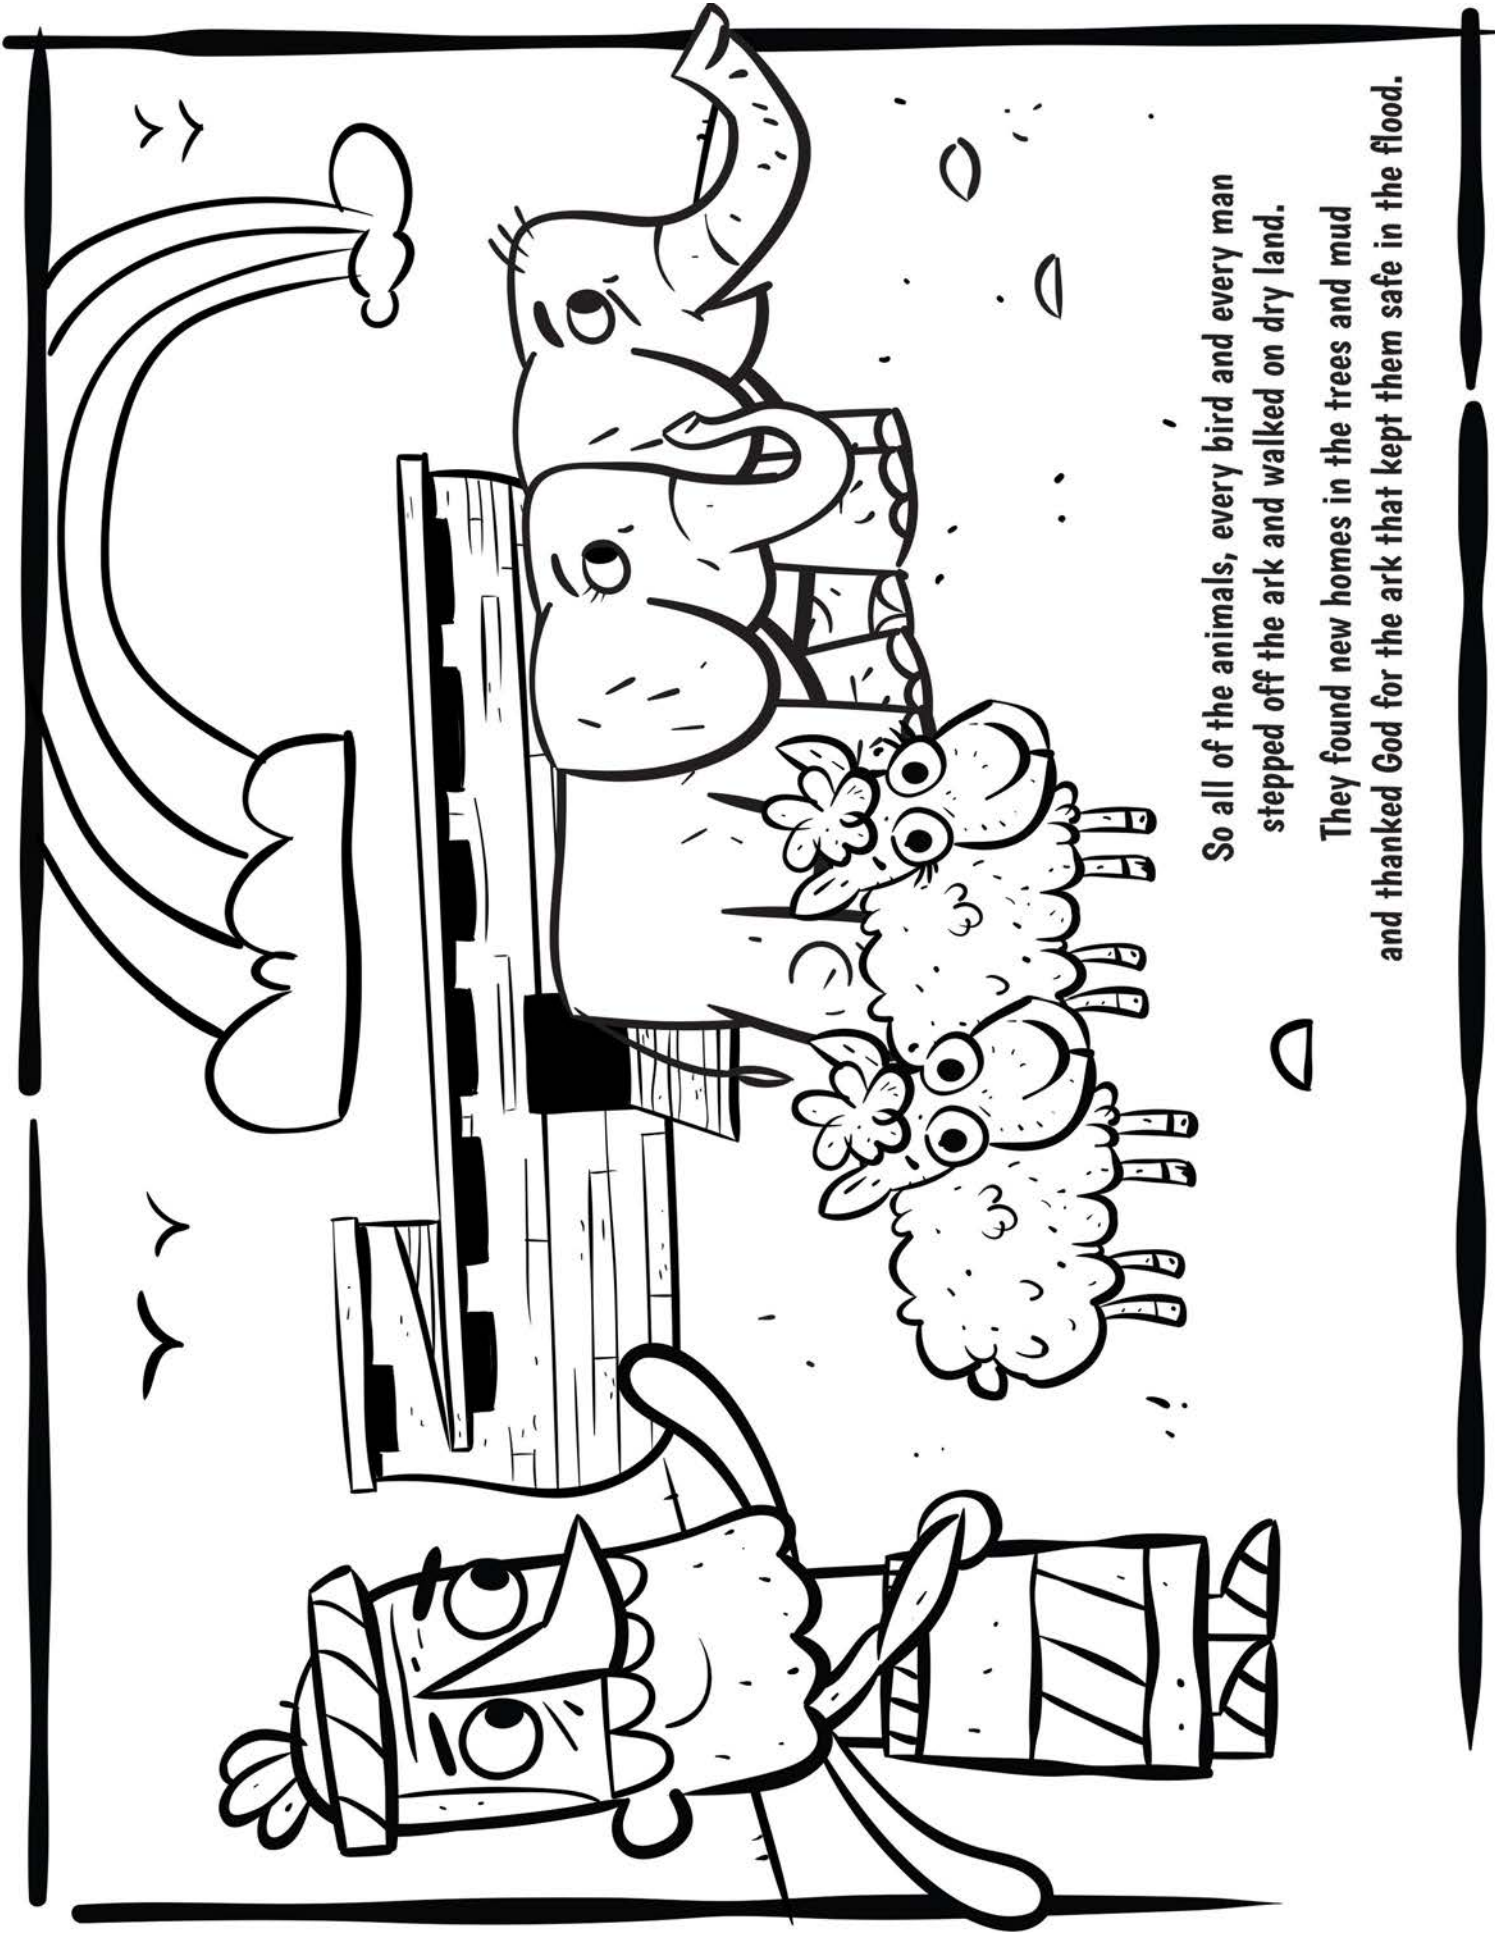

God told Noah that he should build a boat
this high, this long, and of wood so it floats!

God told Noah to fill this boat with animals:
Tigers, giraffes, elephants, and camels!

Two by two on the ark they'd go
with Noah's family all in tow.

So all of the animals, every bird and every man stepped off the ark and walked on dry land.

They found new homes in the trees and mud and thanked God for the ark that kept them safe in the flood.
